We encourage each of you to use the guidelines laid out by the Centers for Disease Control and Preventions (CDC) to protect the health of our employees and members. www.cdc.gov

If you are in need of a new Debit Card / ATM please call the credit union. If you can't remember your ATM pin, call so we can reset and get you going again.

You can access your accounts online www.t-ifcu.com or by using our Mobile App. We encourage you if you are not signed up for online banking/mobile app to call the credit union and we will get you set up.
