**Home
Banking
Changes**

For added security to protect your account information, the way you log in to Home Banking and the Mobile App is changing effective **Jan 15, 2020**. You will use your account number and PIN as normal and then you will be prompted to create a User ID and Password. This can be alpha, numerical, special characters or a combination of all. Then on all future logins, you will enter your new User ID and Password instead of your account number.
