By signing above, you authorize T-IFCU to extend your final loan payment by one month. You acknowledge that there is a \$55 processing fee that will be added to your loan balance.

Interest will continue to accrue on your loan during the month you skip your payment. In some cases, based on the size of your balance, the interest, which accrues, may be greater than the amount of your next regular payment. It may take you several months to begin to reduce your principal balance. Following the skipped payment month, the loan will revert back to the original payment schedule. T-IFCU has the right to refuse any skip-a-payment request.

If you have a Total Loss Claim on your vehicle and have purchased Guaranteed Auto Protection (GAP) coverage, a skip a pay may reduce your GAP coverage by the amount of your monthly payment plus the skip a pay fee.
