Come see the dinosaurs come alive in the Circus as we embark on an adventure of a lifetime. Not only will you be amazed by daredevils on the Wheel of Destiny, you will laugh at our merry maker of mirth and sit in awe as the Aerial Artists soar to new heights at the apex of the Big Top!

With the dawn of a new day comes a new era under THE CIRCUS BIG TOP and those that were once extinct will re-emerge once again right before your eyes. Experience firsthand the giants of today’s world and the enormous creatures from the past. As we take you back millions of years, the circus Big Top will come alive with powerful Dinosaurs and the legendary Woolly Mammoth. For the first time anywhere **Tyrannosaurus**, **Wooly Mammoth** and **Asian Elephants** will come together to enchant and captivate hearts of all ages.

**A Circus would not be a circus without Elephants... and this could be your last chance to see live performing elephants under the Big Top. Circus Saurus is proud to feature Becky, Lisa, and Traci as they will astonish you with their grace and beauty. See these majestic creatures before they too are extinct**
