NOTARY PUBLIC FOR THE STATE OF TEXAS

OFFENSE UNDER SECTION 32.51, PENAL CODE:

A person commits an offense under Section 32.51, Penal Code, when the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses:

- (1) identifying information of another person without the other person's consent; or
- (2) without legal authorization, information concerning a deceased person that would be identifying information of that person were that person alive.

If a person possesses one of the following, that person is presumed to have the intent to harm or defraud another person

- (1) the identifying information of three or more other persons;
- (2) information described by Subsection (b)(2) concerning three or more deceased persons; or
- (3) information described by Subdivision (1) or (2) concerning three or more other persons or deceased persons.

“Identifying information” means information that alone or in conjunction with other information identifies a person, including a person’s:

- (A) name and social security number, date of birth, or government-issued identification number;
- (B) unique biometric data, including the person’s fingerprint, voice print, or retina or iris image;
- (C) unique electronic identification number, address, routing code, or financial institution account number; and
- (D) telecommunication identifying information or access device.
